

Love Of Learning... Begins Here !!

~ Give your child the Kinder Valley Advantage ~

Gurgaon: "The choice of a Pre-School is one of the most difficult and significant decisions that discerning parents have to make for their children. Early education and formative years lay the foundation to learning. To make it fun filled and effective, the child must always feel secured, happy and find his education and learning a pleasure." says **Mrs. Meera Narain, Principal** of Kinder Valley International School

The School is strategically located in DLF Phase-IV, in the heart of DLF City, on a notified School site, in the midst of condominiums and supermarkets but in peaceful surroundings with large play areas and open spaces. The School ambience is comfortable, homely & air-conditioned. The class rooms are colourful, the furniture is age appropriate and the toys are non toxic. This not only helps the child to adjust quickly but also ensures learning is fun.

The curriculum has the right blend of language, science, math, role play, computers, music and movement and art. This enhances the child's imagination, his creativity, motor skills and social skills, and allows him to discover, experience and learn in a playful environment. Our programs offer stimulating activities and group interactions that encourage play & exploration.

Individual attention from our caring & nurturing teachers allows children to feel safe & secure while taking their first steps and speaking their first words. They are highly trained and experienced in teaching children in different ways suitable to each child's temperament. The School maintains a low Teacher - to - Student ratio of 1 : 10. As a result, our children are brighter, outgoing and confident which aids their easy transition into Formal Schools.

The School also has a Day Care where every child is provided with all homely facilities from air-conditioned comfort, cozy cots, toys, indoor games & above all the nurturing care of our trained staff. Hygienically prepared Lunch and Evening Snacks are served to children.

Besides, there are evening classes for children to learn Skating, Dance & Instrumental Music.

So, let your child Discover, Experience, Learn, Share and Grow in the nurturing and creative world of Kinder Valley.
